Swift appoints George Nicholls as CFO

ASX: SW1

Leading telecommunications and content solutions provider Swift Networks Group Limited (ASX: SW1, “Swift” or “the Company”) is pleased to announce that in line with the Company’s previously stated plans, Swift will transition the role of Chief Financial Officer on 30 June 2017 from Paul Doropoulos to the Company’s current Financial Controller, George Nicholls.

Paul’s knowledge and expertise have been an integral part of the Company acquiring the Swift business. As part of Swift’s post-listing plans, Paul has built a strong Finance team, headed by George Nicholls, to take the Company forward as Swift accelerates its corporate strategy and expansion.

Paul will remain a Non-Executive Director of the Company. Swift looks forward to retaining his experience, guidance and ongoing contribution in this role.

The Company’s incoming CFO, George Nicholls, joined Swift in January 2017 after a career spanning almost 20 years as a finance professional.

George has held positions in professional practice across multiple industries for private and public companies in Australia and the United Kingdom.

He is a fully qualified member of the Chartered Accountants of Australia and New Zealand and the Governance Institute of Australia.

The Board would like to thank Paul for his dedication and contribution as CFO of the Company and welcomes the appointment of George Nicholls as it enters its next growth phase.

About Swift Networks Group Limited

Swift Networks Group Limited (ASX: SW1) is a diversified telecommunications and content solutions provider, entertaining guests and connecting them to the world.

Swift's connectivity and content delivery platform empowers guests to watch, play, connect and interact. Swift brings accommodation providers opportunities to generate additional revenue and offers meaningful data insights to retain existing and drive new business.

Swift sources premium multi-lingual content from around the world and curates, packages and distributes it to clients' guests through its cloud-based platform. The company's services include free-to-air television, pay television, telecommunications, Internet, data, wireless networks and streaming video on demand with content from some of Hollywood's largest studios.

Running in more than 140 sites across the mining, oil, gas, aged care, retirement village and hospitality sectors, Swift's fully integrated platform is deployed in some of the world's harshest regions, where reliability, flexibility and scalability are critical success factors.
