

SWIFT EXPANDS WITH INFINITE CARE

HIGHLIGHTS:

- Swift expands in the aged care sector, rolling out its entertainment and connectivity services at three new sites for leading provider, Infinite Care.

- The agreement initially covers approximately 350 rooms in Queensland, with expansion in line with Infinite Care's growth over a three-year initial term.

- As Infinite Care's preferred provider, feasibility plans are underway to expand the services to an additional 2,500 rooms across Infinite Care's existing facilities in South Australia, and future facilities across NSW, VIC and WA.

Leading communications, content and advertising solutions provider Swift Networks Group Limited (ASX: SW1, "Swift" or "the Company") is pleased to announce it has signed a contract with leading aged care provider, Infinite Care, to provide its services to the group's newest facilities in Queensland. The initial three-year contract will see Swift provide its aged care-specific package to approximately 350 rooms in early 2019 across sites including Infinite Care's state of the art facility in Mt Lofty, Toowoomba, which opens to residents next month, and its facility at Cornubia, south-east of Brisbane, which is due to open in early 2019.

EYEING EXPANSION: In addition to these Queensland sites, Infinite Care operates five existing facilities in South Australia, totalling 400 rooms. The group aims to grow to 2,500 rooms by 2021 through greenfield development, expansion of existing facilities and targeted acquisitions in South Australia, New South Wales, Victoria and Western Australia. As its preferred partner, Swift is currently working alongside Infinite Care to assess the feasibility of providing its services across these venues.

BLUE-CHIP BACKING: Infinite Care is jointly owned by its founding Managing Directors and Moelis Australia, an ASX-listed financial services group with more than \$3 billion of assets under management. Moelis Australia provides Infinite Care with the financial strength to deliver on its strategy to become a major provider of residential aged care in Australia. Swift would like to take this opportunity to thank the corporate advisory team at Moelis Australia for the introduction to Infinite Care.
