Swift Networks Wins Best New Hospitality Product Award

Australian Hotels Association
WESTERN AUSTRALIA

Having executed a Share Purchase Agreement with Swift Networks which is due to complete on or around the 20th May 2016, Stanfield Funds Management Limited ("Stanfield") is pleased to announce that Swift Networks ("Swift") has been awarded "**Best New Hospitality Product 2016**" by the members of the Australian Hotels Association (WA) for its Digital Entertainment Services.

Competing against local, national and international organisations, Swift received the accolade at the WA Hospitality Supplier Awards held at the Crown Casino, Perth on Monday evening.

Swift's services include:

- Supply of Video on Demand and Hollywood Movies;
- Pay TV and Free to Air TV;
- Free to Air Radio stations;
- Internet services in each room (including Wi-Fi & Data);
- Additional channels including Information Channels;
- Entertainment Applications and Skype access; and
- Support services (24/7 enterprise level helpdesk, remote Diagnostic tools, Infographic & Analytics).

The Stanfield Board of Directors is strongly encouraged by this award and the recognition by the hotel industry, a new target market for Swift, of the company's ability to provide a comprehensive digital entertainment solution to the hospitality sector.

The Board looks forward to Swift continuing to make in-roads into this sector and continuing its business development efforts across the fast growing markets of Aged Care, Lifestyle Villages and Hospitals.

For and on behalf of the Board,
