## Swift expands with OZ Minerals multi-year contract win

ASX: SW1

### Highlights:

- **Swift wins multi-year contract to provide telco services and entertainment content to new client OZ Minerals Ltd (ASX: OZL).**
- **Swift will provide a broad suite of world-class content and connectivity to 550 end users at OZ's Carrapateena project in South Australia for an initial period of three years.**
- **Swift continues to grow its customer base in FY18, with an excellent pipeline of potential new client sites currently under negotiation through the resources, aged-care and hospitality sectors.**

Leading telecommunications and content solutions provider Swift Networks Group Limited (ASX: SW1, "Swift" or "the Company") is pleased to advise that it has won a material contract to provide its award-winning suite of entertainment on demand and online connectivity to a new client in the resources sector, OZ Minerals Ltd (ASX: OZL).

Swift Chief Executive Officer, Xavier Kris, said:

*"Swift is delighted to support OZ Minerals' construction workers at its Carrapateena project. We look forward to keeping OZ Minerals staff entertained, informed and in touch with home through the award-winning Swift in-room system."*

*"This new contract win materially boosts Swift's annualised contracted revenue and our strong record of accomplishment in partnership with top-tier resources clients reinforces Swift as the telco and entertainment provider of choice."*

## Contract detail

Swift (ASX: SW1) is pleased to announce it has been selected by **OZ Minerals Ltd (ASX: OZL)** to deliver a range of entertainment services over an initial period of 36 months for the 550 bed accommodation village at Carrapateena.

The first greenfields mine to be built in Australia in the past five years, Carrapateena is set to produce more than 4 million tonnes of copper and gold per annum and will be South Australia's second-biggest mine on completion.

Swift's expertise in delivering reliable telco and content solutions in remote and harsh environments has been instrumental in the Company winning this contract.

The map below locates Carrapateena in South Australia.

**About Swift Networks Group Limited**

**Swift Networks Group Limited (ASX: SW1)** is a diversified telecommunications and content solutions provider, entertaining guests and connecting them to the world.

Swift's connectivity and content delivery platform empowers guests to watch, play, connect and interact. Swift brings accommodation providers opportunities to generate additional revenue and offers meaningful data insights to retain existing and drive new business.

Swift sources premium multi-lingual content from around the world and curates, packages and distributes it to clients' guests through its cloud-based platform. The company's services include free-to-air television, pay television, telecommunications, Internet, data, wireless networks and streaming video on demand with content from some of Hollywood's largest studios.

Running in more than 260 sites across the mining, oil, gas, aged care, retirement village, student accommodation and hospitality sectors, Swift's fully integrated platform is deployed in some of the world's harshest regions, where reliability, flexibility and scalability are critical success factors.
